

Hello Everyone!

Project Connect is coming up on March 28, 2015 from 8:00am – 3:30pm and we are looking for volunteers to come help! Project Connect is a great experience for anyone looking to volunteer within the community. Please pass this e-mail along to anyone that you think may be interested in this great opportunity!

To volunteer for Project Connect, simply go to this link <http://vols.pt/vg2HqP> and enter your email address and then you will be free to put your name under the station that you would like to volunteer at. Please use an e-mail address that you check regularly as this will be the primary means of communication to keep everyone informed. See the document "Station Information" attached to read a short description of each station.

Please be advised that the mandatory Volunteer orientation for Project Connect volunteers is on Thursday, March 19th from 5:00 – 6:00 in the City Hall Foyer. Please review the documents attached before the orientation date if you are wishing to volunteer.

Thanks and if you have any questions or concerns please feel free to contact me @ projectconnect.leth@gmail.com
